"What a gift to the audience. I only wish there were more performances so I could encourage everyone to experience it. Hoping they will do this again next year. Thank you!!!"

"This evening was beautiful! Amazing singers and musicians!"

Practicing for Stations of the Cross

**E**ach reflection includes *live music* for the Station with songs by artists such as Billy Joel, Eric Clapton, Josh Groban, Michael W. Smith, and Goo-Goo Dolls. Every song is performed live by Holy Trinity's own musicians and vocalists, and corresponds directly with a modern-day reflection. The music brings out the human emotion of each station of Jesus' suffering, sacrifice and ultimate triumph.

Each reflection is written in light of living in the 21st century. Each one addresses the issues that affect all of our lives, including dishonesty, forgiveness, hardship, and other themes that mirror the original Stations of the Cross.
